THE SCHOOL

A profile of excellence

Welcome to the Uchko'prik District Specialised School, an institution committed to providing exceptional education within the framework of international standards. We blend a rigorous curriculum with innovative teaching methodologies to cultivate well-rounded, future-ready individuals.

Our vision & Mission

Empowering Minds

To inspire intellectual curiosity and critical thinking, fostering a generation of innovators and problem-solvers.

Cultivating Character

To instill strong ethical values, leadership qualities, and a sense of social responsibility in every student.

Global Citizenship

To prepare students for success in a globalised world, promoting cross-cultural understanding and adaptability.
